

Landscape PROJECT

Artist Research

To prepare for your project select either Allen Sapp or Blu Smith plus one other artist of your choice to research. This will help you hone in on what landscape style you like and what design you want to incorporate into your own painting.

Check out our web page for more information to help you complete these worksheets. You may have to google to get more information.

Other Landscape ARTISTS

Select one other artist to research. Answer the questions on the back of the sheet about Allen Sapp or Blu Smith or and the artist you selected. The below list is suggested landscape artists, but you can select artists off this list to research as well.

1. What do you like about Allen Sapp or Blu Smith style?

2. Which piece of theirs is your favorite? What about that piece drew you to it?

3. What is something interesting you learned about Allen Sapp or Blu Smith?

4. Which other landscape artist did you select to research and why did you choose them?

5. Describe their style of landscape painting:

6. What is your favorite piece by them? What about this piece drew you to it?

7. When was the artist born and what are three notable things about them?

8. What are your plans for your landscape? What can you you planning to include that's your own creative idea?
