

Tints & Shades

Use paint or pastels to mix the blocks with the appropriate color. *The middle section will be the pure color.* Go to the left and slowly add white to the main color. Add more white to the color as you go from circle to circle toward the left side. Then, on the right hand side, add black slowly to the color (A little black goes a long way!). Add more black as you move toward the right side.

WHITE + ← **COLOR** → + BLACK

RED

YELLOW

BLUE

Intensity

In the boxes below, Use paint or pastels to mix the blocks with the appropriate color. Color in each box to change the intensities of each color. Start with the color on the LEFT and slowly add more of the color's compliment as you move to the right. Each box should be colored individually.

Red				Green
Yellow				Purple
Blue				Orange
