	I can choose challenging and relevant art and artists to find inspiration from		
	I can draw more than one thumbnail sketch to find <b>different</b> ways to create my ideas and problem solve design solutions.		
	I can choose a strong design that shows a clear relationship to the inspiration photos but also shows originality and creativity and has a personal meaning.		
	I can choose a project idea that's challenging enough so that I will learn new things and grow as an artist.		
	I am excited for this idea and feel more and more connected to the story/ imagery in this type of art as I research it.		
	I have clearly explored the steps to create this project and have included these step and links to outside sources to help me through this process.		
	<p>I have uploaded and neatly presented all my preliminary work in a power point to Ms. Wright in a timely manner.
